God dog
Sunday no funday
Holy joke
Go away
No fun
None whatsoever
Ya sister is sinking

I know I believe
I believe
I believe
That it`s beautiful

I know I believe
Yeah I think I
Believe that
It`s wonderful

I know if I leave
My belief
Then I leave what`s incredible

It`s gonna take a better man
To get me out of this sham

If it stays like this
You`re a failure
If you keep it up
You`re a failure

Because we want
What you`re supposed to give us
You`re a failure

We want what we`re supposed to have
You`re a failure

No fun whatsoever
No fun whatsoever
No fun
