

# Goodbye

Archive

I'm thinking of you  
In my sleep  
They're not good thoughts  
The worst kind of sad  
I've noticed things  
Cannot be repaired  
When I wake up  
I'll be in despair

'Cause I know I've got to say  
I know I've got to say  
Goodbye  
Baby goodbye  
Goodbye  
Baby goodbye  
You're my sweetheart  
Goodbye  
You're my sweetest  
Goodbye

I know I'm gonna look  
So so so so bad  
But there's no easier way  
For me to have to walk away  
But I don't want to hear this no more  
And I don't want to feel this no more  
And I don't want to see this no more  
And I don't want to experience this no more

'Cause I know I've got to say  
I know I've got to say  
Goodbye  
Baby goodbye  
Goodbye  
Baby goodbye  
You're my sweetheart  
Goodbye  
You're my sweetest  
Goodbye  
Goodbye  
Goodbye  
Goodbye (You're my sweetest)  
...
