I have reached my last  
I have reached my last  
I dismiss my past  
I have reached my last

My last  
I dismiss my past

I, I have reached my last  
I have reached my last  
I dismiss my past  
I have reached my last

I, I dismiss my past  
I dismiss my past  
I dismiss my past  
I dismiss my past  
I dismiss my past

I have reached my last  
I have reached my last  
I have reached my last  
I, I dismiss my past  
I have reached my last

At last  
I dismiss my past  
I dismiss my past  
I dismiss my past  
I dismiss my past  
I dismiss my past
