

## Accident

Arco

won't be long before i'm old and i'd like  
to think that i was in control of my life  
but i can't make it change, can't break  
the pattern  
i'm waiting for an accident to happen

you're so beautiful i just have to laugh  
you've got everything a girl could ever have  
but how to tell you that i can't imagine  
i'm waiting for an accident to happen

tried so hard to find a voice inside me  
but nothing's like the ones i heard inspire me  
all the words i thought i'd find i haven't  
i'm waiting for an accident to happen
