Cry

Arco

couldn't bear to see you, and turned away
thought of something else to say
hollow words will always get me through the day
feelings just get in the way

wish somebody would make me cry
wish somebody would break my heart
wish somebody would make me cry
pull my little world apart

the music's loud, i'm with my friends, i'm satisfied
another day goes down the slide
but if a gentle heart could set me free inside
i won't know until i've tried

wish somebody would make me cry
wish somebody would break my heart
wish somebody would make me cry
pull my stupid world apart
