

# A Certain Romance

Arctic Monkeys

- B**  
1. Well oh they might wear classic Reeboks  
**B**  
Or knackered Converse  
**B**  
Or tracky bottoms tucked in socks  
**E**  
But all of that's what the point is not  
**Emi**  
The point's that there ain't no romance around there  
**B**  
And there's the truth that they can't see  
**B**  
They'd probably like to throw a punch at me  
**B E**  
And if you could only see them, then you would agree  
**Emi**  
Agree that there ain't no romance around there  
(The verses are all upstroked, like kinda ska rythm n that)
- Asmi F#**  
R: You know, oh it's a funny thing you know  
**E**  
We'll tell 'em if you like  
**Emi**  
We'll tell 'em all tonight  
**B**  
They'll never listen  
**Abm**  
Cause their minds are made up  
**C#mi F# B**  
And course it's all okay to carry on that way
- B**  
2. And over there there's broken bones  
**B**  
There's only music, so that there's new ringtones  
**E**  
And it don't take no Sherlock Holmes  
**Emi**  
To see it's a little different around here  
**B**  
Don't get me wrong, oh there's boys in bands  
**B**  
And kids who like to scrap with pool cues in their hands  
**E**  
And just cause he's had a coupla cans  
**Emi**  
He thinks it's alright to act like a dickhead
- R: You know, oh it's a funny thing you know  
We'll tell 'em if you like  
We'll tell 'em all tonight  
They'll never listen  
Cause their minds are made up  
**C#mi F#**  
And course it's all okay to carry on that way

Cause their minds are made up

**C#mi**

**F#**

And course it's all okay to carry on that way

**Abm**

\*: I said no

**F#**

Oh no!

**E**

**Emi**

Oh you won't get me to go!

**B**

**Asmi**

Anywhere, said anywhere

**C#mi F#**

I won't go

**B**

Oh no no!

**B**

3. Well over there there's friends of mine

**B**

What can I say, I've known 'em for a long long time

**E**

And yeah they might overstep the line

**Emi**

**B**

But I just cannot get angry in the same way

**B**

Not in the same way

**E**

Not in the same way

**Emi**

Oh no, oh no no
