

# Black Treacle

Arctic Monkeys

**G**  
Lately I've been seeing things,  
**G D C G D**  
Belly button piercings in the sky at night,  
**D C**  
When we're side by side,  
**G D C**  
And I don't mean to rain on anybody's cabaret,  
**C G D**  
One of those games you're gonna lose,  
**D C G**  
But you wanna play it just incase,

**G**  
**C D G**  
R: And now it's getting dark and the sky looks sticky,  
**G C D G**  
More like black treacle than tar,  
**G C D**  
Black treacle,  
**D G Em Cm G**  
Somebody told the stars you're not coming out tonight,  
**Cm**  
And so they found a place to hide.

**G Bm Em**

**G**  
Does it help you stay up late?  
**G D C**  
Does it help you concentrate?  
**C G D**  
Does it tune you in, when you chew your chin?  
**D C G**  
Am I ruining your fun?  
**G**  
And you talk the talk alreyt,  
**G D C**  
But do you walk the walk or catch the train?  
**C G D C**  
You wanted it, you got it, but you don't want it now.

**G**

R: And now it's getting dark...

**G Bm Em G**

**C D G**  
And now I'm out of place and I'm not getting any wiser,  
**C D G**  
I feel like the sun dance kid behind a synthesiser,  
**Em C D**  
And I tried last night to pack away the laugh,  
**G Cm**  
Like a key under the mat,

**C**

**D**

**G Bm Em**

But it never seems to be there when you want it,
