

# Do I Wanna Know?

Arctic Monkeys

**Am** **F** **Dm**  
Have you got colour in your cheeks?

**Dm** **Am**  
Do you ever get the fear that you can't shift the tide  
That sticks around like something in your teeth

**F** **Dm**  
And some aces up your sleeve

**Am**  
Have you no idea that you're in deep  
I dreamt about you nearly every night this week

**F** **Dm**  
How many secrets can you keep?

**Am**  
Cause there's this tune I found that makes me think of you somehow

When I play it on repeat

**F** **Dm**  
Until I fall asleep

**E**  
Spilling drinks on my settee

**F**  
P: ( Do I wanna Know )

**Dm**  
If this feeling floats both ways

**Am**  
( Sad to see you go )  
Was sort of hoping that you'd stay

**F**  
( Baby we both know )

**Dm**  
That the nights were mainly made

**Am**  
for saying things that you can't say tomorrow day

**Am**  
R: Crawling back to you

**F** **Dm**  
Ever thought of calling when you've had a few?

**Am**  
Cause I always do

**F** **Dm**  
Well baby I'm too busy being yours to fall for somebody new

**Am**  
Now I've thought it through

**Am**  
Crawling back to you

So have you got the goods?  
Been wondering if you're heart's still open  
And if so I wanna know what time it shuts  
Simmer down and pucker up  
I'm sorry to interrupt  
It's just I'm constantly on the cusp  
Of trying to kiss you  
I don't know if you feel the same as I do

We could be together if you wanted to

P:

R: +

Too busy being yours to fall
