Come on in, the water's lovely  
Look, you could meet someone you like during the meteor strike  
It is that easy  
Lunar surface on a Saturday night  
Dressed up in silver and white  
With coloured old grey whistle test lights

Take it easy for a little while  
Come and stay with us  
It's such an easy flight  
Cute new places keep on popping up  
Since the exodus it's all getting gentrified  
I put a taqueria on the roof  
It was well reviewed  
Four stars out of five  
And that's unheard of

Mister bridge and tunnel on the starlight express  
The head of special effects in my mind's eye  
Hokey cokey with the opposite sex  
The things you try to forget  
Doesn't time fly?  
I'm in no position to give advice  
I don't want to be nice  
And you know that

Take it easy for a little while  
Come and stay with us  
It's such an easy flight  
Cute new places keep on popping up around Clavius  
It's all getting gentrified  
The information action ratio is the place to go  
And you will not recognize the old headquarters

All the nights that never happened and the days that don't exist  
At the information action ratio  
The only time that we stop laughing is to breathe or steal a kiss  
I can get you on the list for all the clubs  
I can lift you up another semitone

Take it easy for a little while
