Arctic Monkeys

Well now then Mardy Bum  
I've see your frown  
And it's like looking down the barrel of a gun  
And it goes off

And out come all these words  
Oh there's a very pleasant side to you  
A side I much prefer

It's one that laughs and jokes around  
Remember cuddles in the kitchen  
Yeah, to get things off the ground

And it was up, up and away  
Oh, but it's right hard to remember that  
On a day like today when you're all argumentative  
And you've got the face on

Well now then Mardy Bum  
Oh I'm in trouble again, aren't I?  
I thought as much

'Cause you turned over there  
Pulling that silent disappointment face  
The one that I can't bear

Well can't we laugh and joke around?  
Remember cuddles in the kitchen  
Yeah, to get things off the ground

And it was up, up and away  
Oh, but it's right hard to remember that  
On a day like today when you're all argumentative  
And you've got the face on

And yeah I'm sorry I was late  
But I missed the train  
And then the traffic was a state

And I can't be arsed to carry on in this debate  
That reoccurs, oh when you say I don't care  
Well of course I do, yeah I clearly do!

So laugh and joke around  
Remember cuddles in the kitchen  
Yeah, to get things off the ground

And it was up, up and away  
Aw but it's right hard to remember that  
On a day like today when you're all argumentative  
And you've got the face on
