What Did You Call It That For

Arcwelder

What is the nature of the giant that we won't fight?
Oh no - I've lost myself again
And if I should become defiant, have I the right?
What did you call it that for?
Oh no - I've lost the game again
Oh no - I've lost myself again

[Chorus]

Don't know quite how to say it
Tell me I'm wrong
Tell me I'm wrong
Don't know just how to do it
Tell me I'm wrong
Tell me I'm wrong

If it would only stop it's spinning, I might reach higher
Oh no - I've lost myself again
Another game that's not worth winning, will I retire
What did you call it that for?
Oh no - I've lost the game again
Oh no - I've lost myself again

[Chorus]
