

# 1 Day

Ard Adz

I'm back again, not back for long  
So go and tag your bitch, go tag a don  
My brother tag me and I never tag along  
My brother feelin safe because he brought a gun  
Pain move  
What you eating on shrimp, I got pain food  
My chains don't explain what the pain do  
And the lord don't explain when he takes you

He was shotin at the [?]  
It was all good then they shot him out his [?]  
Tired of the net  
I'm soon loggin out for good middle fingers up  
Then I'm boppin out the hood  
Can you dig that  
I love my son hes got discipline  
I don't see him for a day and start missing him  
When I see him I start hugging him and kissing him  
Cah that could be the last day I spend with him

Bros lookin one way  
Gotta change one day  
We hit jumuah on friday  
Still jugging on a sunday

I was strapped up in school  
You got plaque in your mouth I want plaques on the wall  
And again

And again

I never paid my connect  
My darg, died I went to his grave and I paid my respects  
I got pages of stress, chases of feds  
My angels behind my, them brave so I bless  
A power nap, fuck a long sleep, all I needs an hour ahh  
A red bull and [?]  
Then I'm back up for days, throw the racks in my face  
I wan't maximum wage  
Fuck the tax my he's gay, man I'll clap of his face  
Mash up de place

My brother see milla move milla [?]  
Man a big fish like kilacam  
3 5 spend all that drilla dan  
On the east side kicking it with [?]  
Raise funds, get guns then we blast ahh  
The feds can't play dumb, cah we smart ahh
