How you blamin' me for hustling mami, yeah got to get the paper  
Came up from the hussle not an elevator  
Baby when we down don't you ever feel down  
Small racks that's a likkle flavor  
Mi a boom, boom, never been a hesitator  
Came a long way from a block regulator  
I like the way you go down no  
Baby give me brain she an educator

Forget a hater  
Manna come up on a struggle, not an escalator  
In your gaff like a decorator  
Manna boom, boom, the ting like a detonator  
Life was peak I wasn't actin' civil  
Me and Milly tryna pri another yute to Ginil  
All these shawtys me and Milly bought it  
Pull a dotty with the shottys lookin' like a pistol  
I'm still steppin' with the bandits  
If it's a beef it don't settle with a bandage  
It's been a day and I haven't ate  
30s on this grind, but I'd settle with a sandwich  
In my nights not in alligators  
And my brudda Moise lookin like a gladiator  
I'm a money generator  
Violate and I'll be back, like the terminator

How you blamin' me for hustling mami, yeah got to get the paper  
Came up from the hussle not an elevator  
Baby when we down don't you ever feel down

Why you think I'm makin' money, fool don't ask me where this money go  
Too kitted up with my darrg money  
Run it to casina door got him in a corridor  
The block's peppered like Mexico  
Bruddas caught him slippin', hit him at the Tesco  
Bruddas cuttin' shapes in the cars like a hexagon  
When you get caught, you get peppered like a Mexican  
I got the ting, I'll give you the ting  
I got 'nuf sugar, you don't need insulin  
Po police with the bastard  
Enough smoke for him, him, him, him and him  
The block's burnin' like Portugal  
Bullet's flyin' in his mouth burnin, ' like course they do  
We was all broke but we always real  
Gotta love the hustle - String tell 'em
