

## Shoulda Been

Ard Adz

Shoulda been love, it's hate instead  
Shoulda been AK's, MAC's, it's Treys instead  
Shoulda been broke, got pain instead  
And they're throwing up this and that, I'm throwing up A instead  
Shoulda been love, it's hate instead  
Shoulda been AK's, MAC's, it's Treys instead  
Shoulda been broke, got pain instead  
And they're throwing up this and that, I'm throwing up A instead

If I aim the lead, boom bow we gon' wake the dead  
My young boy won't do it so me and Milly came instead  
I hate the feds, I love the A but I hate the ends  
Round here it's a game of chess, say what I say and I say it with chest  
I made my bed, I laid in bed, I laid my head  
Feds come to the same address, shoulda been loyal I'm bait instead  
A town where I made the bread, I love the A but it came with stress  
Small hand ting I ain't aiming bent, beam on the wap, aim is red  
She wanna shake a leg, I'll bring that home and I'll break the bed  
Let's make a mess, I don't wanna make amends  
I don't pay no debts, pay no plug, pay respects  
If I aim the lead, boom bow we gon' wake the dead

Shoulda been love, it's hate instead  
Shoulda been AK's, MAC's, it's Treys instead  
Shoulda been broke, got pain instead  
And they're throwing up this and that, I'm throwing up A instead  
Shoulda been love, it's hate instead  
Shoulda been AK's, MAC's, it's Treys instead  
Shoulda been broke, got pain instead  
And they're throwing up this and that, I'm throwing up A instead

You know man live, the block alive, my gun the livest  
Come round here, might bun your driver  
You know my ting, undeniable  
Small hand ting, so reliable  
Let that clap, bro go viral  
If I aim the lead, it gon' wake the dead
