I don't wanna drive I'm tipsy  
I don't wanna drive, It's risky  
2 2 Shots of the 'voss  
The pack was loud  
The night's a mystery

I don't wanna wife no jizzney  
Me & bae got history  
I don't wanna go ba- back to the trap in the flat with the rice and Krispies

Look, back it up and I jook  
I can never go brass  
Man just buss the pack and I jugg

Jugg, envy me, you're on bujj  
Man can never step in my buggs  
Dying chapter one in my book

Look, your wifey's liking my recent  
I'm dirty, I'll show you the reason  
Bring your gyal to the A for the threesome

Listen ya eediat  
Broom for the sweeping  
You don't wanna die this evening  
You don't wanna die from tweeting

Look, I don't wanna drive I'm frassed  
I don't wanna drive I'm yacked  
I don't wanna drive, it's mad

Blud, I don't wanna drive I'm tapped  
Tell em' that I'm driving back, no license on a driving ban

Bout time, bruddas give me all my dough  
Bruddas know I'm bout mine, you can catch me on the roads  
Always on the south side, 'low the madness out my show  
We can take it outside, we can take it outside...

I don't wanna drive I'm tipsy  
I don't wanna drive, It's risky  
2 2 Shots of the 'voss  
The pack was loud  
The night's a mystery

I don't wanna wife no jizzney  
Me & bae got history  
I don't wanna go ba- back to the trap in the flat with the rice and Krispies

Look, skut do do, and I'm good  
Skut do do and I skud  
It's just skut do do in my 'ood

Juj, bruk it down on my wood  
She gon' bruk it down on me good  
She gon' bruk it down like a boogz

Look, I can never be like them man  
I can never grind with 10 man  
I was on the block with Tempman

Look, you don't wanna swim with big fish  
I don't wanna be a statistic  
So I sit down and I do the logistics

Bout time bruddas give me all my dough  
Bruddas know I'm bout mine, you can catch me on the roads  
Always on the south side, 'low the madness out my show  
We can take it outside, we can take it outside...

I don't wanna drive I'm tipsy  
I don't wanna drive, It's risky  
2 2 Shots of the 'voss  
The pack was loud  
The night's a mystery

I don't wanna wife no jizzney  
Me & bae got history  
I don't wanna go ba- back to the trap in the flat with the rice and Krispies
