Trap

Ard Adz

Big rose gold Pakachino
Dirty

O.G. shit, Lambeth's finest
Whole team lit, bag of diamonds
Cash talks
Why'd you think I trap for?
Trying to see M's, they don't wanna see my akhis shining
Times in my life I never had a lot
I was seventeen on the grind for the cash I got
I was on the seventeenth floor in that scatty block
Now it's like seventeen bills what my jacket cost
Bread for half a box on Versace tops
Might turn this Benz to a Rari drop
No roof on the foreign baby it's not a rental
She wanna know my government that's confidential
Real living legend still independent
Man don't dance, just the ice in the pendant
Lost a few waps, got some bigger weapons
Lost a few stacks, learned some different lessons

Trap made my mother sick
Hands on the rubber grip
Akh got another bid
Adz needs another stick
Pak needs another brick
This pack needs another flip
Trap in the gutter get clapped in the gutter quick
Trap made my mother sick
Hands on the rubber grip
Akh got another bid
Adz needs another stick
Pak needs another brick
This pack needs another flip
Trap in the gutter get clapped in the gutter quick

Come up on the dead ends
Come a long way from hitting shop with ten pence
How am I supposed to get rich? Putting out these 10/10's
Grew up with a bag of G's, half of them are sentenced
Heart's gone cold blud, full up with a vengeance
I was robbing watches you was chilling watching Ben 10
Bruddas getting birded and it's all because of Semtex
Send this in to Charlie Sloth, Limelight and Semtex
Big Dirty, big Pakachino
Fuck music, if it flops blud I'll bag a kilo
Fuck chilling in the hood it's just a bag of egos
I'm overseas with my akhis and my black amigo
Fuck your gold chain I want a Lamborghino
I roll with old flame like I'm Avelino
Sitting on my lone lair, praying to Allah that I'll never go back to zero

Trap made my mother sick
Hands on the rubber grip
Akh got another bid
Adz needs another stick
Pak needs another brick

This pack needs another flip
Trap in the gutter get clapped in the gutter quick
Trap made my mother sick
Hands on the rubber grip
Akh got another bid
Adz needs another stick
Pak needs another brick
This pack needs another flip
Trap in the gutter get clapped in the gutter quick
