

indifferent

Arden Jones

Said you tryna be happy
I wish you good luck
I would rather drink liquor
I would rather smoke blunts
Got a pain in my chest
And a heart that sucks
They don't give second chances
Well, I don't give fucks
Trying to give praise
To get to heaven's gates
They don't wanna take advice
From a kid my age
All I'm gonna say
Is "let's get faced"
It's not like anything
Really matter anyway

But I guess it depends
On what's inside your head

I'm in a rut
And outta town
Swear my whole world's upside down
There ain't much I'd do instead
Guess I'm indifferent

Oh, Oh, Oh, Oh

My whole life
I looked for light
Let the whole world
In my heart
Far as I know
We don't know where to go
Where to go
When it gets dark
When it gets freezin' and bleak
We don't even know where to start
Far as I know
We don't know where to go
Where to go
When it gets dark
So we sing

Oh, Oh, Oh, Oh
