

Beautiful Journey

Ardhito Pramono

Just today
I found myself thinking of the thing what I have it now
What I have so far
A sincere feel of love
It makes somehow the life can always be easier
With everything I sense
Without the hatred feel
Only the kindness heart

If I can turning back the time once more
I wouldn't do and go back there for sure
No more regret but accept
Blissful feeling of the life
That's what it is

Just today
The vision of the dream I had, somehow realized
And always believe
The faith and destiny
It makes somehow the life can always be meaningful
With everything I sense
Without the hatred feel
Only the kindness heart

If I can choose a different life once more
I wouldn't do that option there for sure
No more regret but accept
A blissful journey of the life
That's what it is

Destiny of life
It's been a miracle
The story of the life
Could not be ask for more
The blessing of the life
It's been a wonderful
It's such a beautiful journey of my life
That's what it is
That's what it is

The destiny of life
It's been a miracle
The story of the life
Could not be ask for more
The blessing of the life
It's been a wonderful
It's such a beautiful journey of my life
That's what it is
That's what it is
That's what it is
It's such a beautiful journey of my life
That's what it is
That's what it is
That's what it is
