

## Exotic

Ardian Bujupi

Oh, oh  
Yeah, yeah  
Oh  
Yeah, woo

Baby, whenever I'm around you, I can't keep thinking logic  
Let me let me tell you why is because you're so exotic  
You're the hottest, you're the hottest girl in the club  
Baby, you're the hottest girl in the club, you're the hottest girl in  
the club

Talking about my girl, she's a queen in the club  
Yes I'm talking about my, my, my  
Everybody flick in the room, they flowing  
And they down to ride or die, die, die  
I can hear they talk about how you and me are it, girl  
We're it, girl, we're it, girl  
I'm talking about my girl I love it when you're close to me, me, me  
Everybody flip in the room but I flip if they don't keep it close to  
me, me, me  
Everybody know that you can talk about my  
Baby, don't you see that, baby, can't you see, yeah?

Baby, whenever I'm around you, I can't keep thinking logic  
Let me let me tell you why is because you're so exotic  
You're the hottest, you're the hottest girl in the club  
Baby, you're the hottest girl in the club, you're the hottest girl in  
the club

Baby, when you go by, make it fly, got that  
All drop at your feet, feet, feet  
Everybody's staring at the floor, when you walk, girl  
Let me see it like [?]  
I don't know where that you came from  
All left, now we're all alone, oh oh, yeah, yeah  
Shawty wanna go, wanna take you away from here, here  
I just wanna go, take you home, get the party going, girl, come with  
me, me  
You and me could have some fun together  
Going out of town, come with me, yeah  
I need you here with me, baby, don't you see? Yeah

Baby, whenever I'm around you, I can't keep thinking logic  
Let me let me tell you why is because you're so exotic  
You're the hottest, you're the hottest girl in the club  
Baby, you're the hottest girl in the club, you're the hottest girl in  
the club  
Baby, whenever I'm around you, I can't keep thinking logic  
Let me let me tell you why is because you're so exotic  
You're the hottest, you're the hottest girl in the club  
Baby, you're the hottest girl in the club, you're the hottest girl in  
the club
