

# All I Need

AREA21

Woah, oh, oh  
Woah, oh, woah

Wake up every mornin', livin' in a dream  
Ain't no other place I would rather be  
Surrounded with the team, that's when I'm feelin' free  
Then I realize this is all I need, all I need

I remember how they treated me  
When I wasn't high  
All the ones who didn't believe in me  
Hopin' I forgot  
Well, I did not  
And it's too late to show up now

Everything is built on trust  
Turn the haters into dust  
Every night, we turn it up  
Pour some more up in my cup  
Got a million reasons why  
I'm addicted to this life  
And we cannot live it twice  
So we love these crazy nights (Ayy)

I feel like I'm okay  
Found my way, so long I was alone  
I kept on runnin' away  
'Til I finally came back home

To wake up every mornin', livin' in a dream  
Ain't no other place I would rather be  
Surrounded with the team, that's when I'm feelin' free  
Then I realize this is all I need, this is all I need

I already got my team with me  
They had my back  
When nobody said they needed me  
So I'm good with that (Good with that)  
And that's a fact (That's a fact)  
That they could never turn us down

Everything is built on trust  
Turn the haters into dust  
Every night, we turn it up  
Pour some more up in my cup  
Got a million reasons why (Why)  
I'm addicted to this life (Life)  
And we cannot live it twice  
So we love these crazy nights, yeah, yeah

I feel like I'm okay  
Found my way, so long I was alone  
I kept on runnin' away  
'Til I finally came back home

To wake up every mornin', livin' in a dream (Wake up)  
Ain't no other place I would rather be

Surrounded with the team, that's when I'm feelin' free  
Then I realize this is all I need

Woah, oh, oh  
Woah, oh, woah  
Woah, oh, oh  
Woah, oh, woah

Sometimes, my sunshine turns to clouds  
Sometimes, this world can bring you down  
These voices in my head so loud  
I try my best to mute the sound  
Then I look around, then I realize  
All I need is right in front of my eyes  
And I feel alright  
Everything is fine

When I wake up every mornin', livin' in a dream  
Ain't no other place I would rather be  
Surrounded with the team, that's when I'm feelin' free  
Then I realize this is all I need, this is all I need
