What about when no one watches?
Do you like yourself when you don't have your phone?
Will you still pretend you're happy?
What you gonna do when your followers gone? (Oh no)
Uh

Maybe you would see the world
In a different light of day
Maybe you will feel no stress when you don't care what people say
No pressure would suppose
Living life how it's supposed
Feeling good no need to boast (Ay)

I saw a pretty girl with my own eyes, not through a screen
And she was more than 2D if you know what I mean
I started thinking with my own mind, not through machines
And ever since I made a change the world is smiling at me

If felt like
(Oo-oo-ooh)
(Oo-oo-oo-ooh)
It felt like
(Oo-oo-ooh)
(Oo-oo-oo-ooh)

All the places we could go
When we're not stuck in a zone
How are we free when we let algorithms take control?
Tell me how we s'posed to vibe
When your life is your device
Let me give you some advice

Go see a pretty girl with my own eyes, not through a screen
'Cause it's more clear than HD with no glass in-between
I started thinking with my own mind, not through machines
And ever since I made a change the world is smiling at me

If felt like
(Oo-oo-ooh) It felt like
(Oo-oo-oo-ooh) It felt like
(Oo-oo-ooh) It felt like
(Oo-oo-oo-ooh)

All these comments in my brain, it's kinda stupid
Sometimes I get why people lose it
I wonder if they couldn't show it, would they even do it
Haha, I guess we 'bout to find out now
