

# Happy

AREA21

I'm so happy, I'm so  
I'm so happy, I'm so

I'm so happy  
No stress, no stress  
I feel so blessed  
I'm so happy  
Good vibes, good vibes  
Everything is all right  
I'm so happy  
Like, yeah, yeah, yeah  
Like, yeah  
I'm so happy  
No stress, no stress  
I feel so blessed

Looking at the bright side of life  
Focus with my mind on the light  
I can help you smile and be nice  
Once I realize what is right  
Every time I breathe I'm free  
I got family who loves me  
Faces all we need you could see  
Positivity, we believe

So we keep rockin', keep rollin', keep dreamin', keep goin'  
Keep your eyes on the prize, never let up  
Never grow up, it's a fuckin' a set-up  
Keep rockin', keep rollin', keep dreamin', keep goin'  
Keep your eyes on the prize, never let up  
Never grow up (grow up)

I'm so happy  
No stress, no stress  
I feel so blessed  
I'm so happy  
Good vibes, good vibes  
Everything is all right
