

Mona Lisa

AREA21

So much stuff I want man...
You know what I want?

A Mona Lisa in my room
Wanna light it up with Snoop
Wanna picnic on the moon
Play myself in a cartoon
Show the world we're all the same
Hit the stage with Bey and Jay
Get a star on walk of fame
Yeah, one day they'll know our name

Eh
And we'll be swimming in the sky, yo
Floatin' like a butterfly, yo
Till we see the flashing lights
Alright, alright, alright

We higher than a satellite
And we don't wanna sleep tonight
We livin' life in stereo
And we about to lose control

I don't know, I don't know
I don't know why I dream crazy, crazy
But I don't care, I don't care
Honestly it's so amazing, amazing
Wooh-oh

Everyday be full of fun
Shoot with love instead of guns
Sip martinis with James Bond
Steal his girl, then I'll be gone
Party in the mile high club
Every night we turn it up
Every drink we give a hug
And, we still don't give a

Eh
And we'll be swimming in the sky, yo
Floatin' like a butterfly, yo
Till we see the flashing lights
Alright, alright, alright

We higher than a satellite
And we don't wanna sleep tonight
We livin' life in stereo
And we about to lose control

I don't know, I don't know
I don't know why I dream crazy, crazy
But I don't care, I don't care
Honestly it's so amazing, amazing
Wooh-oh

Gotta start livin' it
I was low, I had to get rid of it

Better vibes, I had to get into it
She bad, tryna get intimate
And yo one thing we gotta know
Is this place about to blow
And we never drop the flow
So you know we got some more

Cuz we higher than a satellite
And we don't wanna sleep tonight
We livin' life in stereo
And we about to lose control

We higher than a satellite
And we don't wanna sleep tonight
We livin' life in stereo
And we about to lose control
