

All that I need is my freedom  
Nobody tellin' me what to do  
You know, I've been doing a lot of thinking  
And I think that we should be together forever  
Oh no...

Up down like a pogo  
Don't really care where I go though  
Just far away from commitment  
I'm young, free and I'm living  
Up down like a pogo  
Don't really care where I go though  
Just far away from commitment  
I'm young, free and I'm living

Yeah, bouncin' all around town  
Livin' so wild, livin' my life, oh  
No more tying me down  
Killin' my style, killin' my vibe, no  
Solo, livin' YOLO  
Wedding ring, that's a no go  
Oh no, I'll be solo  
Can't stand to live with that fomo

Too much love to be given  
Too much melody in my rhythm, whoa  
Too much fun to be trippin'  
Too much energy in my system, whoa

Break the chains, I need freedom  
Break the stress, I don't need it, no  
Breakin' up with my ex  
I'm just looking for sex  
Successful conversation  
I don't know what your name is  
Not lookin' for engagement  
Just wanna see you naked  
Negativity is something I don't like  
Then I won't bullshit, I won't lie  
We'll do it good for the whole night  
It might be bad but feels so right

All that I need is my freedom  
Nobody tellin' me what to do  
All that I need is my freedom  
Nobody tellin' me, shhh...

Up down like a pogo  
Don't really care where I go though  
Just far away from commitment  
I'm young, free and I'm living  
Up down like a pogo  
Don't really care where I go though
