

# Ain't Nobody Ever Loved You

Aretha Franklin

I've seen you hangin' out  
Lookin' like you know what life's about  
Laughin', jivin' with your friends  
Baby, that ain't where the world ends, oh yeah

I'm layin' my love on you  
You'll be feelin' somethin' brand new, oh yes, you will  
Gonna hold you tight with all my might  
Squeeze you right, whatcha wanna do tonight? Yeah

I'm gonna hold you in the afternoon  
Tease you from the sun  
Dancin' 'neath the island moon  
We'll go on and on, yeah

Ain't nobody ever loved you  
Like I'm gonna love you, yeah, yeah, oh, baby, no  
Ain't nobody ever loved you, boy  
Like I'm gonna love you, yeah, yeah

Hey, drag a comb across your hair  
Change your shirt, we're going somewhere, ain't we, baby?  
I'll throw a little lipstick on  
Check the mirror twice and we're gone

I believe in rain  
We can bring the heat up again, oh, yes, we can  
I'm gonna take my time and treat you fine  
Baby, baby, baby, I'm makin' you mine, oh tonight, boy

Hear the people laugh and sing  
Right outside your door  
Somethin' great is happenin'  
And you can be sure

Ain't nobody else could love you  
Like I'm gonna love you, yeah, yeah  
Ain't nobody ever loved you  
Like I'm gonna love you, yeah, yeah

Ain't nobody love you, no  
Like I'm gonna love you, hey hey  
Ain't nobody love you, no  
Like I'm gonna love you, hey hey

Hear the people laugh and sing, hey hey  
Right outside your door, hey man  
Somethin' great is happenin'  
And you can be sure

Nobody else can love you  
Like I'm gonna love you, yeah, yeah  
Ain't nobody ever loved you  
Like I'm gonna love you, yeah, yeah

Ain't nobody love you, no  
Like I'm gonna love you, hey hey

Ain't nobody love you, no  
Like I'm gonna love you, hey hey

Ain't nobody love you, no  
Like I'm gonna love you, hey hey  
Ain't nobody love you, no
