Day Dreaming

Aretha Franklin

(Daydreamin' and I'm thinkin' of you) (Look at my love floating away) He's the kind of guy that would say Hey, baby let's get away Let's go some place, huh Well I don't care He's the kind of guy that you give your everything You trust your heart, share all of your love Till death do you part I want to be what he wants When he wants it and whenever he needs it And when he's lonesome and feelin' love starved I'll be there to feed it I'm lovin' him a little bit more each day Turns me right on when I hear him say (Hey, baby, let's get away) (Let's go somewhere far) (Baby can we) Well, I don't care (Hey baby let's get away) (Let's go somewhere far) (Baby can we) Well, I don't care I wanna be what he wants when he wants it And whenever he needs it And when he's lonesome and feelin' loved starved I'll be there to feed it Lovin' him a little bit more each day It turns me right on when I hear him say (Hey, baby, let's get away) (Let's go somewhere far) (Baby can we) Well, I don't care (Hey baby let's get away) (Let's go somewhere far) (Baby can we) Well, I don't care (Daydreamin' and I'm thinkin' of you) (Look at my love floating away) (Daydreaming) of you (Daydreaming) Thinking of you
