

## Mr. Ugly

Aretha Franklin

Haunt my house Mr. Ugly  
I know how beautiful you are  
When you hold me tight  
Rainbow spill the night  
Tell me, are you my lucky star?

Play your guitar, my Mr. Ugly  
Your melodies are so divine  
Winter is spring to me  
When you sing to me  
You serenade this heart of mine

You don't scare me, just to look at you  
I'd crawl across the great divide  
Although you're small  
To me you're so tall  
When you kiss me my heart's open wide, oh, wide

Oh, don't make me cry, my Mr. Ugly  
Cling to me, never, never, ever let me go  
Make my live complete  
Dance me off my feet  
Tell me the things I need to know  
Mr. Ugly you're, you're not ugly to me anymore
