## **Truth and Honesty\***

## **Aretha Franklin**

I would like to see a show of hands Nothin' concealed, roll up your sleeve Nothin' up my [?] except my heart And I believe we've come apart

I would like to see you play your cards Reveal your hands and show your heart Maybe we could get it back

With truth and honesty that's what we need to hold on To the good stuff we believe in Before we land up loose and sad and free Before we find that it's gone We could pull it back together, truth and honesty Open up your hands, show me your heart

Let's stay up till dawn and talk it out Nothin' concealed, no alibi, retunin' to light Before we start, then all we do is fall apart If I can see the sunlight in your eyes

Then maybe we all could shine, yeah Maybe we could get it back, oh baby, yeah baby

Oh, truth and honesty that is what we need to hold on To the good stuff we believe in Before we land up loose, sad and free Before we find out all that is gone We could pull it back together with truth and honesty, oh Open up your hands, show me your heart

Truth and honesty, oh, that's what we need to hold on To the good stuff we believe in Before we land up loose and sad and free Before we find out that it's gone We could pull it back together, truth and honesty

Truth and honesty, you know what we need, sure enough within To the good stuff, the good stuff baby You got to be real, you got to be real, you got to be sugar To the good stuff we believe in, you got to, you got to
