

# Without Love

Aretha Franklin

All night long  
One night, I could not sleep  
For ringing in my ear  
A melody began to sing

Oh, at first  
The words I could not make out clear  
The smog fields lifted away  
And this is what I heard them say

It said without love  
(Without love)  
There's nothing you can do  
Yes, it did  
It said without love  
(Without love)  
You're not even you

All night long  
He spoke to me  
The words of wisdom rang  
Beneath his sweet, soft melody

It said, don't you know  
(Don't you know)  
That a rich man can be poor  
If wealth is all he has, hey

Without love  
(Without love)  
There's nothing you can do  
(Do, do, do, do, do)

Don't you know  
Without love  
You're not even you  
(Without love)

Can't you hear me talking to you  
(Can't you hear us talking to you)

Without love, oh  
The sorrow's even new  
Yes, it is  
Without love  
(Without love)  
You're not even you

Hey, yeah

Without love  
(Without love)  
There's really so much you can do  
Yes, it is  
(Without love)

Without love

(Without love)  
You're not even you  
Everybody sing now

Without love  
(Without love)  
There's so much you can do  
(Without love)

Yes, it is  
(Without love)  
Yes, it is

Without love  
(Without love)  
You're not even you  
Sing it, sing it  
One more time

Without love  
(Without love)  
There's so much you can do  
(Without love)

(Without love)  
Without love  
Do you know you're not even you  
Hey, hey, hey

Without you  
(Without love)...
