

# Wonderful

Aretha Franklin

Feels like I've seen you before  
Maybe in a past life, you were mine and I was yours  
'Cause the vibe we share feels so comfortable  
Is it possible someone could make me lose control

Look what you've done to me (Mmm)  
Finding it hard to breathe  
'Cause I just can't believe  
You're feeling me like I'm feeling you

I had to pinch myself (Oh)  
'Cause nobody else has (Yeah, yeah)  
Given me such a chill  
And made me feel the way that you do

I just gotta let you know  
In case you didn't know  
I-I-I-I-I think you're wonderful  
There's this thing you do to me  
That thing that makes me weak  
Baby, I-I-I-I think you're wonderful

Questioning what this is  
If it's too good to be true  
I don't wanna fool myself  
'Cause I'm fallin' hard for you

Givin' me that old school love  
Sayin' I'm the only one  
Showin' me in so many ways  
That you're crazy for me

Look what you've done to me (Oh, baby)  
Finding it hard to breathe  
'Cause I just can't believe  
You're feeling me like I'm feeling you

I had to pinch myself (Ow)  
'Cause nobody else has  
Given me such a chill  
And make me feel the way that you do, baby

I just gotta let you know  
In case you didn't know  
I-I-I-I-I think you're wonderful  
There's this thing you do to me  
That thing that makes me weak  
Baby, I-I-I-I think you're wonderful

I'd go anywhere  
Far away from here  
It would be okay  
As long as you are there

You take away my pain  
And I'll never be the same  
You've got my heart, baby

And I just want to say, baby

I just gotta let you know (Sweet thing, yeah, yeah)  
In case you didn't know (Woo)  
I-I-I (I-I) I-I-I (I-I-I think you're wonderful, baby)  
think you're wonderful  
There's this thing you do to me (This thing you do to  
me, baby)  
That thing that makes me weak  
Baby, I-I-I-I think you're wonderful (I-I think you're  
wonderful, yeah)

I just gotta let you know (Ooh, baby)  
In case you didn't know (In case you didn't know)  
I-I-I-I-I-I think you're wonderful  
There's this thing you do to me  
That thing that makes me weak  
Baby, I-I-I-I think you're wonderful
