

Keep On Rolling

Argent

Come on, when you love me
You make me feel so strong
You just wanna love me all night long

Move just like the river
Fall like the morning rain
Mmm, can't help but love you, ain't no way

Keep on rollin'
Keep on rollin' me mama
Roll me mama, to take my cares away
Keep on rollin'
Keep on rollin' me mama
Roll me mama, roll my cares away

Roll me mama

Mama, you move so sweetly
Rock me sweet and slow
Mm, please carry me darlin', 'til I'm gone

Move just like the river
Fall like the morning rain
Mmm, can't help but love you babe, ain't no way

Mmm, keep on rollin'
Keep on rollin' me mama
Roll me mama, roll my cares away
Oh, keep on rollin', rollin'
Keep on rollin' mama
Please roll me mama, take my cares away

Keep on rollin'
Mmm, keep on rollin'
Yeah, keep on rollin'
Keep on rollin'
Mmm, roll me mama

Roll me mama
Roll me mama
Roll me mama
Roll me
Mmm, come on
Roll me mama, roll me
Make me feel good
Oh ho, roll me mama

Roll me when the day is light
And when the moon invades
Darlin' carry me 'cross them stones
