

DON'T

Ari Abdul

You been playing with my mind in a cycle
Know you wanna take a bite but it's fatal
I'll give you hell, give you paradise
Where there's a thrill, there's a sacrifice

Oh you say that you want it
So baby come get it
Get it
Don't
Just talk about it
Oh I know you're addicted
So baby come hit it
Hit it
Don't
Just talk about it

You been wasting all your time on these vices
Pull you undertake your breath like the sirens
I'll give you hell, give you paradise
Where there's a thrill, there's a sacrifice

Oh you say that you want it
So baby come get it
Get it
Don't
Just talk about it
Oh I know you're addicted
So baby come hit it
Hit it
Don't
Just talk about it

Don't just talk about it
Don't just talk about it
