

Make It Up

Ari Hest

I'm gonna make it up
I'm gonna make it up, it's true
I'm gonna make it all up to you
I'm gonna make it up
I'm gonna make it up, it's true
I'm gonna make it all up to you

If it's the last thing that I do
I'm gonna make it all up to you
Cause if it's one thing that I know
I never meant to hurt you so

So I'm gonna make it up
I'm gonna make it up, it's true
I'm gonna make it all up to you
I'm gonna make it up
I'm gonna make it up, it's true
I'm gonna make it all up to you
I'm gonna make it all up to you

If it's the last thing that I do
I wanna do right by you
Cause as time goes by I see
You mean so much to me

I'm gonna make it up
I'm gonna make it up, it's true
I'm gonna make it all up to you
I'm gonna make it up
I'm gonna make it up, it's true
I'm gonna make it all up to you

I'm gonna make it up (if it's the last thing that I do)
I'm gonna make it up, it's true
I'm gonna make it all up to you (I'm gonna do right by you)
I'm gonna make it up (cause as time goes by I see)
I'm gonna make it up, it's true
I'm gonna make it all up to you (you mean so much to me)
