

Worthy

Ari Hest

Won't you give me one more chance?
Won't you give me one more chance?
I know I have done wrong
I've lived with it long
But now I, I am worthy of your love

I am someone you can trust
Believe it or not, I am someone you can trust
I've scrubbed my hands clean
Given up the scene
And now I, I am worthy of your love

I wish I could change, change the past
Wish I could change, change the past
But after all these years
The drying of the tears
I know I, I am worthy of your love

After all these years
The end is growing near
And I, I am worthy of your love
