

Don't Try To Break Me

Ari Koivunen

Gloomy monday night trying to find my way
I hear a voice, have a choice, I decide to stay
There's no one in sight, just an open door
Across the street, I feel the heat, leading me once more

Oooh it's hotter than in hell down here
You keep whispering in my ear
Nooo this starts to ring the bells
Don't try to break me
Don't try to break me

I've been down that road before, seen how eager minds are thorn
I won't fall for that no more lies are hidden in the core

In the smoky scene fire's burining bright
Pounding noise, I hear a voice, saying this is right
Your stare is like a beam, from across the cave
Your eyes are red, I feel the threath how could I be safe?

Oooh it's hotter than in hell down here
You keep whispering in my ear
Nooo this starts to ring the bells
Don't try to break me
Don't try to break me

I've been down that road before, seen how eager my eyes are tho
rn
I won't fall around no more lies are hidden in the core
I won't let you take control
I turn away and save my soul
So, I'm not gonna takes this anymore, no
No, no no!

Yeah!

Don't try to break me!
Don't try to break me!

I've been down that road before, seen how eager mindss are thor
n
I won't fall for that no more lies are hidden in the core (ooh
yeah)
Ooh yeah yeah yeah

Don't break me

Yeah yeah yeah yeah!
