

# Give Me A Reason

Ari Koivunen

Time, time is my only friend  
It keeps me alive  
With things we pretend  
Why, why can't I close my eyes  
Just lay down by myself  
And fly to the skies

Pushing me down, round and around  
Trying to keep me in control  
Tear me apart  
Take a piece of my heart  
And time has taken it's toll

Now I'm broken  
But I open my arms  
And I yell to the world  
That my voice can be heard  
I am stronger, no longer  
In the dark  
'cause you give me a reason  
to go on

I, I feel the pain in me  
It bawls through the walls  
Of my darkest memories

Pushing me down, round and around  
Trying to keep me in control  
Tear me apart  
Take a piece of my heart  
And time has taken it's toll

Now I'm broken  
But I open my arms  
And I yell to the world  
That my voice can be heard  
I am stronger, no longer  
In the dark  
'cause you give me a reason  
You give me a reason  
to go on

I know what I want  
And I know what I need  
But sometimes I've fallen off real

Now I'm broken  
But I open my arms  
And I yell to the world  
That my voice can be heard  
I am stronger, no longer  
In the dark  
'cause you give me a reason  
You give me a reason  
Yeah you give me a reason  
to go on
