

Deep Strokes

Ari Lennox

Mmm

Ooh

Walls been kind of empty
There's something that I need
A few paintings
Revolutionary
Body something like a canvas
Cover me
You deserve all of it

Deep strokes
Through my soul
Keeps me high
Come paint on this design
Deep strokes
Through my soul
Got me high

Baby, this exhibition is only for you
It's only for you, uh-huh
Let these watercolors envelope you
Let them envelope you
Aye
Cleansing your palate
Like a sponge with it (Mmm)
Taking every last bit
Yeah, yeah

Deep strokes
Strokes
Through my soul
Oh, it keeps me high
Keeps me high
Come paint on this design
Deep strokes
Through my soul
Baby
Got me high

Got me, got me, got me
Baby
Want painting on me
