Yeah

Go back that shit up on me  
Back up all that shit you talking  
FaceTimin' my baby tonight  
Bet you wanna cop the feel  
Bet you wonder if it's real  
FaceTimin' my baby tonight  
And when you coming home  
I'm gonna give you what I'm of  
I'm gonna put it on you  
I said you hell of a drug  
Been gone long  
I'm gonna give you my love  
I'm gonna put it on you  
Gone back that shit up on me  
Back up all that shit you told me  
FaceTimin' my baby tonight  
Bet you wanna cop the feel  
Bet you wonder if it's real  
FaceTimin' my baby tonight  
And when you coming home  
I'm gonna give you my love  
I'm gonna put it on you  
I said you a hell of a drug  
Been gone long  
I'm gonna give you my love  
I'm gonna put it on you
