

## Get Close

Ari Lennox

New York pizza, my Coke Zero  
Gamble my heart, Rob Dinero  
I just want you to call  
So we can get congenial

Get close  
Get close  
Need you close  
So close

You like Tupac, I like Janet  
So damn stubborn, I won't have it  
I laugh at it, boobies grab it  
Take a road trip, screw the planning

Get close  
Get close  
Need you close  
So close

Need you to  
Need you to  
Need you to  
Like this is what I need from you

Nothing to do in this summer  
Pulse is pounding like Questlove's drums  
Like a lily upon my thumb  
Sugar toffee tanned in sun

Nothing to do in this summer  
Pulse is pounding like Questlove's drums  
Like a lily upon my thumb  
Sugar toffee tanned in sun

Get close (Get close to me)  
Get close (Close, baby)  
Need you close (I need)  
So close
