

Grounded

Ari Lennox

Hey-hey, yeah
Yeah

You'll grow
Once you are grounded
You'll grow (Ooh, ooh)
Once you are grounded
A pathos or two (Ooh)
Will erase your blues (Ooh, ooh)
Wake up and see
Majesty, palm trees
Grow
You'll grow (Ooh, ooh)
Once you are grounded
Grounded, grounded, grounded
You gotta be grounded (Oh-oh-oh, hey, hey)
Grounded, grounded, grounded
You will grow
Once you are grounded (You gotta be)
You will grow (You gotta be)
Once you are grounded
When your living room is ugly (Yeah)
Come and get a tree (Ah-ah)
You can't grow unless you're grounded
Living room is ugly (Hey-hey)
Come and get a tree (Ooh-ooh)
You can't grow unless you're grounded
Yeah, ayy-ayy
