

Moving

Ari Lennox

(Moving) Moving
(Moving) Moving
(Moving) On
(Moving) Moving
(Moving on)
Oh eh
(Moving) I'm moving
(Moving) I'm moving
(Moving on) On, yeah
(Moving) I'm moving
(Moving) On

Mama told me
I got talent
So it's time I make a move
Can take advantage, oh
No more excuses
To success I must move

(Moving) Moving
(Moving) Moving
(Moving on) Uh
(Moving) Moving
(Moving) On

Said papa told me
The sky's the limit
So I'll be there
Singing and singing
I got my back
To low California
With my heart I sing for

(Moving) Moving
(Moving) Moving
(Moving on) On
(Moving) I'm moving
(Moving on)
