

Outside

Ari Lennox

Ah (ooo)
(Ooo-ooo-oooh)
Bad bitch, lace front, to my knees
Too hot, baby this ain't for the weak
This for my thickums
And petites
Fat ass, and my little booty freak
Short hair yeah giving E.V.E
Rough ride when you deep inside the Jeep
It's how you do that
When I flip this lil' peach
Yeah naw, I ain't something you can keep

Inside
You can be my
You can be my freak
You can be my
Be my little freak, outside
You can be my
You can be my be my
You can be my
You can be the freak

Givin' the girls Diana Ross
Walkin' around like I'm the boss
Cop the coat, fuck the cost
We boutta to return that shit back tomorrow
Say whether you bought your body
Whether you worked your body
Love your body

Make that money honey, however it go (go)
Workin' hard payin' off them student loans (student loans)
With my 'Girlfriends', givin' Joan? (givin' Joan)
Not concerned with them niggas in my phone
Don't need no tape
Let them thangs hang
And if you do baby girl that's okay
Chocolate soufflé, sippin' champagne
Can't be contained
You know that I can't stay

Inside
You can be my
You can be my freak
You can be my
Be my little freak, outside
You can be my
You can be my be my
You can be my
You can be the freak

Givin' the girl Diana Ross
Walkin' around like I'm the boss
Cop the coat, fuck the cost
We boutta to return that shit back tomorrow
Say whether you bought your body

Whether you worked your body
Baby you own that body
Whether you bought your body
Whether you worked your body
Baby you own that body
Don't need nobody
