

Random Heartbreaks

Ari Lennox

I, I
Inauguration, I'm too excited
Its hard to breathe, I start to panic
Curled on the bed, dod what's this feeling?
Browsing the explorer, an anxiety disorder

Random heartbreaks is a part of the grow up
During your trials, you still got to show up
Getting used to life takes some time, this is your body catchin'
' up to your mind

Hospital this is, my body is shaking
"Doctor am I dying?", "Girl you're in a panic
X-Rayed ya body, ain't nothing wrong lady
Calm it on down", said "you'll be fine in the morning"
He said

Random heartbreaks is a part of the grow up
During your trials, you still got to show up
Do not stop now, you've come to far to give up
Getting used to life takes some time, this is your body catchin'
' up to your mind

And I know how it feels, to be alive and not feel real
And you start thinkin' the worst all the time, will I have this
disorder all my life?
And no one understands, they think you're dramatic
Cause all you need is just one friend, someone who has been thr
ough it, ooh

Honey love just relax
Honey love just
