

# Tatted

Ari Lennox

Yeah, yeah, yeah  
Baby, yeah

You do it so deep  
Pain is love to me  
Shakin' in my seat  
Boy, your touch is the best thing (I like)

Baby, where you at? (Yeah, yeah) Never had it quite like that (No, no)  
Hour sessions on the mat (Said, baby), and it's tatted on my back (It's tatted)  
Baby, where you at? (Yeah, yeah) Never had it quite like that (I said, never)  
Hour sessions on the mat (Said hours), and it's tatted on my back, back (Yeah, uh)

Buzzin' makes me weak  
Put your heart on my sleeve  
Know you'll never leave  
Keep you all over me (I love)

Baby, where you at? (I like) Never had it quite like that (I never had it)  
Hour sessions on the mat, and it's tatted on my back (Yeah)  
Baby, where you at? (Said, baby) Never had it quite like that (Said, baby)  
Hour sessions on the mat (I like it how you do), and it's tatted on my back, back (Yeah, yeah)

Gon' need more than a drink, takin' all this black ink  
It's over, all over my skin  
I love the way it feels, sensation so real  
It's over again

Baby, where you at? (Said, baby) Never had it quite like that (I never had it)  
Hour sessions on the mat (Oh, yeah, yeah), and it's tatted on my back (Said tatted on my back)  
Baby, where you at? (Baby, baby, where you at?) Never had it quite like that (Baby)  
Hour sessions on the mat, and it's tatted on my back, back

Yeah, yeah, yeah  
Tatted  
Mm-hmm, tatted  
Oooh, bae  
Baby

Tatted, I need you to leave it  
Yeah-yeah  
Baby
