

# Ain't A Maybe

Ariana DeBose

All these years  
I let you treat me so bad  
You took me my love for granted  
Now I'm taking it back  
And all these tears  
Seven oceans of pain  
Now I'm walking on the water  
Found my feet again

I ain't looking for a maybe, baby  
It ain't a yes, it's a no  
Well why you hesitating, are you crazy?  
Why you want silver when you got gold?  
You're either in or you're out, we're up or we're down  
Maybe we're better off than on  
'Cause I know I ain't a maybe, you're lazy  
So I'ma show myself the door

I'm a full-time [?]  
I'm not your half-way house  
I've been living here too long  
And now I'm moving on  
So let me make it easy  
This don't need to be hard, no  
I done packed up all my shit  
So you can stay where you are

I ain't looking for a maybe, baby  
It ain't a yes, it's a no  
Well why you hesitating, are you crazy?  
Why you want silver when you got gold?  
You're either in or you're out, we're up or we're down  
Maybe we're better off than on  
'Cause I know I ain't a maybe, you're lazy  
So I'ma show myself the door

Show myself the door  
'Cause if you slam against it it's a no  
Show myself the door  
'Cause if you slam against it it's a no  
I told you once, now I told you twice  
You didn't hear me, now you're paying the price  
So let me say it again, I'ma say it again  
Don't let me say it again

I ain't looking for a maybe, baby  
It ain't a yes, it's a no  
Well why you hesitating, are you crazy?  
Why you want silver when you got gold?  
You're either in or you're out, we're up or we're down  
Maybe we're better off than on  
'Cause I know I ain't a maybe, you're lazy  
So I'ma show myself the door
