Break Free

Ariana Grande

If you want it, take it I should've said it before Tried to hide it, fake it I can't pretend anymore

I only wanna die alive Never by the hands of a broken heart Don't wanna hear you lie tonight Now that I've become who I really am

This is the part when I say I don't want ya I'm stronger than I've been before
This is the part when I break free
Cause I can't resist it no more

This is the part when I say I don't want ya I'm stronger than I've been before
This is the part when I break free
Cause I can't resist it no more

You were better, deeper I was under your spell Like a deadly fever (yeah, babe) On the highway to hell

I only wanna die alive Never by the hands of a broken heart Don't wanna hear you lie tonight Now that I've become who I really am

This is the part when I say I don't want ya I'm stronger than I've been before
This is the part when I break free
Cause I can't resist it no more

This is the part when I say I don't want ya I'm stronger than I've been before
This is the part when I break free
Cause I can't resist it no more

(Our love baby, oooh)
The thought on your body
I came alive
It was lethal
It was fatal
In my dreams it felt so right
But I woke up everytime
Oh baby

This is the part when I say I don't want ya I'm stronger than I've been before
This is the part when I break free
Cause I can't resist it no more

This is the part when I say I don't want ya I'm stronger than I've been before
This is the part when I break free
