

bye

Ariana Grande

Bye-bye  
Boy, bye  
Bye-bye  
Boy, bye  
It's over, it's over, oh yeah

This ain't the first time I've been hostage to these tears  
I can't believe I'm finally moving through my fears  
At least I know how hard we tried, both you and me  
Didn't we?  
Didn't we?

So I grab my stuff  
Courtney just pulled up in the driveway  
It's time

Bye-bye  
Boy, bye  
Bye-bye  
It's over, it's over, oh yeah  
Bye-bye  
I'm taking what's mine  
Yeah  
Bye-bye  
It's over, it's over, oh yeah

Ya know?  
I'm stronger than I think  
Usually, I'd join you on the floor  
But this dance ain't for me  
Boy, just turn the music up  
Maybe someday we'll look back with love  
Didn't think you'd lose me  
Now it's just too late to choose me

So I grab my stuff  
Courtney just pulled up in the driveway  
It's time (it's time)

Bye-bye  
Boy, bye (boy, bye)  
Bye-bye  
It's over, it's over, oh yeah  
Bye-bye  
I'm taking what's mine, yeah (taking what's mine)  
Bye-bye  
It's over, it's over, oh yeah

Now it's certainly bittersweet  
This hook feels too hard to sing  
But it's better than repeat (than repeat, than repeat, than repeat)

Bye-bye (bye-bye)  
Boy, bye (boy, bye)  
Bye-bye  
It's over, it's over, oh yeah (bye)  
Bye-bye (bye-bye)

I'm taking what's mine (taking what's mine)

Bye-bye

It's over, it's over, oh yeah

Bye-bye (bye-bye)

Boy, bye

Bye-bye

It's over, it's over, oh yeah (bye)

Bye-bye (bye-bye)

I'm taking what's mine, yeah (I'm taking what's mine)

Bye-bye

It's over, it's over, oh yeah
