

# Cadillac Song

Ariana Grande

Ridin' round in my Cadillac  
Thinkin' 'bout the day that I first saw you  
Nothin' compares to what we had  
And baby that won't change  
I want you babe  
I still want you babe  
I still want you  
You, yeah

Summer days with my honey  
Worried 'bout not a thing  
Back in the day when things were easier than the breeze  
Who knew that kiss was the last one  
I never thought we would change  
Baby I'm missing you

Oh we shoulda been forever but fell apart  
Might have separated but you took my heart  
Always knew I wasn't really over us  
And sometimes I catch myself

Ridin' round in my Cadillac  
Thinkin' 'bout the day that I first saw you  
Nothin' compares to what we had  
And baby that won't change  
I want you babe  
I still want you babe  
I still want you  
You  
Yea

Memories last forever  
So how could I just forget  
Made everything from nothin' cause time was all we spent

Oh we shoulda been forever but fell apart  
Might have separated but you took my heart  
Always knew I wasn't really over us  
And sometimes I catch myself

Ridin' round in my Cadillac  
Thinkin' 'bout the day that I first saw you  
Nothin' compares to what we had  
And baby that won't change  
I want you babe  
I still want you babe  
I still want you  
You  
Yea
