

intro (end of the world)

Ariana Grande

Uh

How can I tell if I'm in the right relationship?

Aren't you really supposed to know that shit?

Feel it in your bones and own that shit

I don't know

Then I had this interaction I've been thinking 'bout for like five weeks

Wonder if he's thinking 'bout it too and smiling

Wonder if he knows that that's been what's inspiring me

Wonder if he's judging me like I am right now

I don't care

I'd rather tell the truth (truth)

Than make it worse for you, mmm (you)

If the sun refused to shine

Baby, would I still be your lover?

Would you want me there?

If the moon went dark tonight

And if it all ended tomorrow

Would I be the one on your mind, your mind, your mind?

And if it all ended tomorrow

Would you be the one on mine?
