

# off the table

Ariana Grande

Will I ever love the same way again?  
Will I ever love somebody like the way I did you?  
Never thought you'd be so damn hard to replace  
I swear it don't mean to be this way  
If I can't have you, is love completely off the table?

Do I sit this one out and wait for the next life?  
Am I too cold, am I not nice?  
Might not be quite yet healed already  
Should I be going too steady  
But I just wanna know, is love completely off the table?

Will you be there?  
Can I still love you? (Can I, can I?)  
Not yet healed already (Not ready)  
Should I be going too steady (Too steady)  
Just wanna know, is love completely off the table?

I'll wait for you, even though it always feels like I'll be number two  
To someone you can't hold anymore  
If you let me in, I'm ready to give you what I couldn't before  
'Cause I got you girl, let me help you through it  
You're trying to fill the void with a couple boys  
I can see right through it

I can love you harder than I did before  
Was in a dark place back then, I was toxic and then I was toxic to someone else  
I was haunted by the hills, oh yeah  
I couldn't give you my all, but I will  
If you let me in your arms  
If you let me in your heart  
I don't think that love's completely off the table

Will you be there? (Yes, I will be there for ya)  
Can I still love you? (Yes, I been hurt before, before)  
Not yet healed already (Not ready)  
Should I be going too steady (Too steady)  
Just wanna know, is love completely off the table?

So can you hold me?  
If I let you, can you prove it to me?  
'Cause I need you to calm me down, babe  
Gotta get out of my head  
Trying to be here from this bed  
Just wanna know, just wanna know know know, baby

Can you touch it like you believe in it, baby?  
Let me think you never gonna leave on me, baby  
'Cause I ain't her and you ain't him thankfully  
But it's gon' be hard to let someone else in again, babe

Will you be there? Will you be there?  
(I'll still wait, I'll still wait for you baby)  
Can I still love you?  
Not yet healed already (Not ready)  
Should I be going too steady (No, no, no)

Just wanna know, is love completely off the table?

I swear, I swear

I will wait for you whenever you need

Ooh-ooh
